

CREW TRAVEL - MANIFEST Instructions and General Information

ALL Clients – this Crew Manifest is also your taxi order form. If you do not want or need TMM to send a taxi, just let us know but still please complete and send us the manifest. Please note the taxi fares are not included in your charter fee and payable directly to your driver (cash only).

Public Ferry Schedules to and from St. Thomas – Tortola. You want to depart from Charlotte Amalie (CA) and arrive in Road Town (RT).

For ferry information please check the following ferry operators between the USVI and BVI:

<https://www.roadtownfastferry.com/>, <https://www.nativesonferry.co/>, <https://smithsferry.com/>, <https://www.aquaticrentalsvi.com/>

We recommend you pre-purchase your ferry tickets online.

Private water taxi services may be available if you are arriving late or prefer VIP service.

Please see below a list of some water taxi companies but there are many more. Most companies will arrange a taxi service from the airport to Red Hook/St. Thomas and then via water taxi to the BVI, first Customs clearance and then to your final destination. Contact any or all below for pricing and reservations. TripAdvisor and other reviews can be found online.
